International Women's Day Celebration

International Women's Day was celebrated at the University on 8th March 2021. A yoga session was organized as “Yoga Womaniya” in collaboration with HDFC Bank. A trainer from Manav Yoga Sansthan conducted a 45 minutes session for all lady faculty and staff members of the University. He described many asanas which are effective for women's health after the age of 35 years.

Also, a lecture on hygiene affecting women's life was organized through online mode. Dr. Ruchi from Noida described that some basic activities done by the women for their health can save them from many harmful and fatal diseases. She also suggested some changes be made in routine life for working women so that they can maintain their body physically, emotionally and spiritually even after working 8 hrs a day.

The event was very beneficial for the women employees of the Symbiosis University of Applied Sciences, Indore.

Webinar Connects

Alumni on Career Prospects

A webinar was conducted by the Alumni Association of the University. The speaker of the session was Ms Pooja Upadhyay, Deputy General Manager, Randstad India Pvt. Ltd. She explained corporate reality to the students, the way an interviewer judges a candidate and the factors affecting selection for the job. The session was highly interactive. Students raised their queries regarding the selection for the job. Even students asked how they should select a profile that suits them. She guides them by resolving their queries.

Trade Finance – LC Mechanism and Invoice Factoring

School of Banking, Financial Services and Insurance Management has conducted an informative webinar on “Trade Finance – LC Mechanism and Invoice Factoring” on 27th March 2021, for BBA and MBA students. Ms Mansi Khanolkar, Founder and Managing Director, Strategic Advisors and Financial Consultants Pvt. Ltd. was the guest speaker for this webinar.

Ms Mansi started her workshop with basic information about LC Mechanism and Invoice Factoring. She explained that LC is a financial document that facilitates international as well as domestic trade and it substitutes the bank credit for

credit of customers. Further explained that Invoice factoring is a way for businesses to generate cash flow by selling their invoices to a third party at a discount. Invoice factoring can be provided by independent finance providers, or by banks. Understanding of Trade Finance was made easier which was appreciated by all.
